
Potential Articles

Posted by tperry - 2007/11/14 12:32

I have two articles I would like to submit for your review:

- 1) Where is your Task Board - a fun survey of some of the techniques used for project task boards
- 2) Passionate User Stories - an examination of how we can right stories that have more potency and meaning for our teams.

Best regards,
Tom Perry
